### Mount Horeb Youth Center General Permission Slip

The Mount Horeb Youth Center strives to instill good values and assets into each child who attends the Youth Center. We do this by providing teen discussion topics on a weekly basis, field trips around the community, and teen trainings a few times a year to discuss more serious issues like bullying or drugs.

We would like to continue providing these activities for all youth who attend the youth center. Permission slips will be sent out specifically for field trips that require parent transportation, or for teen trainings that will be very serious in nature. You may find a copy of the permission slips on our website [www.mthorebyc.net](http://www.mthorebyc.net) when we have scheduled the events.

By signing this general permission slip, you will allow your child to go on smaller field trips, and participate in community service around the Mount Horeb Community with the Youth Center. The field trips and community service events will always be supervised by the Youth Center staff and volunteers. We will have these trips planned at least a week in advance, and posted on our website under *EVENTS*. The youth and staff will walk to our destinations around Mount Horeb.

Thank you for allowing your child to experience different events and gain more developmental assets.

I \_\_\_\_\_  
(Print Name)  
allow my child to participate in Youth Center community service and field trips in Mount Horeb. In case of emergency, please contact me at \_\_\_\_\_.
